PPK

Head to head with anyone, anywhere, anytime. For those that choose precision, PPK is the weapon of choice. Built with GUNNAR's i-AMP lens technology, PPK helps you overpower those endurance sessions in front of the digital screen, giving longevity a new definition. Medium sized with medium lens coverage, PPK fits a wide range of faces. Game faces, that is.

KEY FEATURES

- Adjustible silicone nose pads provide a customizable fit;
- Fastener free hinge design and high tensile steel construction create incredible durability;
- Gently curved temples provide necessary retention to keep eyewear in place;
- Ultra slim temples distribute headphone pressure to ensure headset compatiibility;
- Interchangeable sockets create endless design and customization options;
- One piece front construction eliminates all welds, screws and other potential points of failure;
- Flexible temples conform and ergonomically fit a wide range of head and face shapes.
